## COMPANY PROFILE

Yangjiang Soar is a trusted factory specializing in custom high-quality kitchenware products. Our streamlined supply capabilities significantly boost our customers' operations, including rapid delivery lead times, high performance, flexibility, and minimal order quantity requirements.

Our design and engineering team collaborates with designers to develop good ideas and designs using 3D printing technology.

All our products undergo thorough evaluation and verification to ensure quality and performance. Soar products are rigorously tested and certified by third-party organizations to meet product safety regulations. We are committed to quality and safety compliance, and our dedication to customer success has earned us a strong reputation worldwide.

A top-down photograph of a silicone kitchenware set. It features a black muffin tray with several golden-brown muffins, some of which are placed on a rustic, blue-painted wooden surface. Fresh green leaves are scattered around the muffins. The text "Silicone Kitchenware Set" is overlaid in white on a dark grey semi-transparent background at the bottom of the image.

SILICONE  
CHOCOLATE  
MELTING POT

/

SR-BA0003

Specification:  
Material:Silicone.  
Size:9x6.5x6.5cm

Features:  
Brand new and high quality.  
Use this Silicone Melting Pot to easily melt Chocolate in the Microwave.  
Simply fill with chocolate, melt in the microwave and pour the melted chocolate into the chocolate mould.  
Made from flexible silicone and featuring a removable lid and pouring lip, the melting pot will allow you to easily melt and pour a number of food items.  
Ideal for melting Chocolate and Butter, heating Milk and Sauces and even for mixing Salad Dressings.
